SNC St George's Weekend

Those of us who attended the Sixty-Nine Club "Emerald Birthday" St George's Weekend had a really good time. The event began with a buffet "Meet and Greet" at The Hoist. Everyone made us most welcome. It was good to see many old friends as well as a healthy turnout from MSC Scotland. Afterwards we were able to partake of the fun and frolics available at The Hoist. Unfortunately the tour of Gay London had to be cancelled. This was because the guide, our good friend Norman Routledge had become a victim of the Icelandic volcano. He was luckily able to make it back in time for the dinner.

The gala dinner on the Saturday took place at The Old Explorer in Great Castle Street just off Regent Street. This is a new venue to us. The food was good and the dinner was well attended. After the dinner we had the opportunity to go to "Hard On". For those of you who do not know of this club it is an in famous establishment presided over by the redoubtable Suzie Kruger. We enjoyed our experience at the club. Its clientele are a mixed crowd (predominantly male). There is something for everyone from pure dance to dark rooms to the pleasures of the Torture Garden. No prizes for guessing where we spent most of our time?

On the Sunday we met up at The Kings Arms for a fabulous lunch which was catered by Tom Cameron and The Duchess. Some of the food had even been prepared by the Duchess herself, a singular honour to all present!

We can honestly say that Sixty Nine Club did us proud for a very enjoyable event. Special thanks are due to President Roger and Secretary Tim for their kindness and attention to detail. Thanks also to The Duchess for adding those extra touches we have come to love and appreciate. Yes, we are mortified we did not win any of the "Dunchurch Tat" in the raffle. We do however have some of the Dunchurch Emeralds to remember the event by.

Dave Martins

Congratulations to our friend and member Dave Martins on his election as the new president of MSC London.

Pride 2010

Rubber Man's Club has contributed toward the bus for the parade at this event. The bus will be advertised under the banner "London Clubs Together". The theme of the event is red. Any members who would like to ride on the bus should firstly contact Oz to let him know. Any names received will be passed on to the organiser at MSC London.

AGM 2010

Numbers attending the AGM were not great. The Committee for this coming year remains the same with Martyn Corbet (Chairman), Austin Flynn (Secretary), Andy Graveson (Treasurer) and Roger Kidd (Committee). The winner of the Ken Burton Trophy is Roger Kidd. The Chairman confirmed that it is his intention not to seek re-election in 2011. The Secretary confirmed that he will not be seeking re-election either. This gives an opportunity for someone to come forward during the next year to take over the club and lead forward.

The 41st Birthday Event

After the excitement of the 40th birthday this year will be much quieter. We are having a Sleaze Party at The Fort.

It is intended that there will be regular raffles on club nights and also a Kit Sale etc.

We are hoping to advertise these items on the website with a view to inviting reasonable offers. Please keep an eye on the site for further details.

We are always interested in taking any surplus kit from members who would like to donate it to the club. Just give us a call or send an email.
